

International Conference on Intelligent Computing

July 22-26, 2026, Toronto, Canada

Invitation Letter

Paper ID: 743

Authors: Ying Fu, Nie Ru, Zhengwei Li, Zhanguo Xia

Paper Title: GCFH-MDA: Graph Collaborative Filtering with Hypergraph Augmentation for miRNA-Drug Association Prediction

Dear Ying Fu, Nie Ru, Zhengwei Li, Zhanguo Xia:

Your above oral/poster paper has been accepted by 2026 International Conference on Intelligent Computing (ICIC 2026), which will be held on July 22-26, 2026, Toronto, Canada. We are very glad to invite you to attend this great conference this July. Now the copyright of this paper/poster has belonged to ICIC 2026, please do not submit it to other journals or conferences. Please see the website <http://www.ic-icc.cn/2026/> in order to register for the conference. This letter does not commit ICIC 2026 Organizing Committee to any legal responsibility for your conduct or to your financial support of any kind. Participants must register and cover their own expenses to attend the conference.

We look forward to seeing you at the conference.

Sincerely Yours
ICIC 2026 Organizing Committee
